WagnerHillsFarmSociety

Wagner Hills is a working farm with residential accommodation for up to 50 male residents, plus housing for approximately 20 leaders, staff and families. With the motto "Beyond Recovery To Discipleship" our focus is to bring people out of harmful addictions to become servant leaders who will serve those people who are still trapped in addictions, in the spirit and love of Jesus Christ.

We welcome you to join us. Application and assessment usually happens over several days of being involved in the program. For more info contact us at.

Supporting Us...

We are largely supported by individuals, churches and organizations who donate materials, funds and their time to us. We are thankful to the men and women that make this ministry possible!

WAGNER HILLS FARM SOCIETY

BEYOND RECOVERY TO DISCIPLESHIP

WagnerHillsFarmSociety

Is a ministry that offers life change to people with spiritual, emotional and physical needs.

We focus on individuals with addictive and otherwise broken lifestyles, who are willing to seek freedom and healing and want to lead a life of purpose. We offer them a relationship with God and with others at Wagner Hills, and the opportunity to change from the inside out.
