

**CAMPBELL VALLEY HOUSE OF HOPE**

### CampbellValleyHouseOfHope

The HouseOfHope is a working farm with residential accomodation for up to 14 female residents, plus housing for approximately 5 leaders, staff and their families. With the motto "Beyond Recovery To Discipleship" our focus is to bring women out of harmful addictions to become servant leaders who will serve those people who are still trapped in addictions, in the spirit and love of Jesus Christ.

We welcome you to join us. Application and assessment usually happens over several days of being involved in the program. For more info contact us at:

#### Supporting Us...

We are largely supported by individuals, churches and organizations who donate materials, funds and their time to us. We are thankful to the men and women who make this ministry possible!

## Beyond Recovery To Discipleship

### CampbellValleyHouseOf Hope

Is a home where women who are struggling with addictions are able to experience freedom through relationship with Jesus Christ.

It is also a healing Christian community where destructive isolation is exchanged for healthy connection with self and others.

CampbellValleyHouseOf Hope is a ministry to the hurting and broken who need to find the way to wholeness.
